To the BNI Membership a Testemonial to Annette Hogg.

I would like to take this oppertunity to thank Annette for the recent work that she has carried out for me. The work was done in a manner which can only be described as Professional and meticulous to detail. Annettes knowledge and understanding of the situation that had arisen within my company helped resolve a situation that if I had undertaken myself would have resulted in a major problem. Having worked with Annette twice now with regard to employment contracts and disputes I would have no hesitation to recommend her to anyone within the BNI or outwith the BNI.

Yours sincerely

G D McFall

A handwritten signature in blue ink, which appears to read 'G.D. McFall', is written over the typed name.
